2009 New Mexico Weight Distance Tax Return E-Filing Now Available On-Line

Account information will be electronically accessible by enforcement personnel at All New Mexico Ports of Entry

SANTA FE – The State of New Mexico Motor Vehicle Division (MVD) is pleased to announce a new service for motor carriers. In an effort to provide a more convenient and efficient way to file New Mexico Weight Distance Quarterly Tax Returns, motor carriers are now able to file online 24 hours a day, 7 days a week. "Making it easier to pay road taxes will help increase compliance and collections," said Rick Homans, Secretary of Taxation and Revenue. "We need these trucking companies to pay their fair share to keep our roads maintained and safe."

As of April 15, 2009 Weight Distance Quarterly Tax Returns may be filed online using the Motor Vehicle Division's Weight Distance E-Filing process and taxes may be paid using an e-check or credit card. The Weight Distance E-Filing process, handled through a secure website, enables motor carriers to key in a single tax return or to file multiple returns through a bulk file process. Filing quarterly returns on-line will eliminate the use of paper forms. Electronic filing is not mandatory; motor carriers may still file by mail.

In order to file tax returns and pay taxes due online, there must be an established Login and Password for NM Web File Services. To establish a login or password, register on-line at: <https://efile.state.nm.us>

For assistance please contact TRD via e-mail at TRD-NMWebFile@state.nm.us. OR the MVD Call Center at 1.888.683.4636.
