MVD Closing Office at Bank of the West Building

The New Mexico Motor Vehicle Division Special Services branch at the Bank of the West Building, 5301 Central Avenue NE in Albuquerque, will permanently close its doors to the public at the close of business on Friday, September 27, 2019.

The MVD Bank of the West branch has been dedicated to serving driver's license applicants who needed to submit fingerprints to determine their eligibility for a license. With the passage of SB 278 in the 2019 Legislature, fingerprints will no longer be required of any New Mexico driver's license applicants, effective Tuesday, October 1, 2019.

MVD staff who have been assigned to the Special Services office will be reassigned to other MVD offices in the Albuquerque Metro area to enhance service to customers at those locations.
