

# New Mexico Property Tax

## Nonresidential Property Tax Obligation by County

### 2012 Tax Year

\*Source: Calculated from rate certificate files issued by the NM Department of Finance and Administration.

Obligations are the product of rates and net taxable value, or revenues assuming 100% collection. These are total property tax obligations of property tax owners within a particular county to all property tax recipients -- school districts, municipalities, counties and other jurisdictions within a particular county.
