3. The description of the real property is required by Section 7-38-67 NMSA 1978 to be sufficient to permit its identification and location by potential purchasers. Prospective buyers shall not trespass onto any listed property nor contact or disturb the occupants, if any, for the purpose of gathering information about any listed property.

4. Section 7-38-74 NMSA 1978, prohibits officers or employees of the State or any of its political subdivisions engaged in the administration of the Property Tax Code from directly or indirectly acquiring an interest in, buying, or profiting from any property sold by the Property Tax Division for delinquent taxes. 7. Upon receiving payment for the real property sold for delinquent taxes, the Property Tax Division shall execute and deliver a deed to the purchaser. Until a deed, which consummates the sale is received from the Division, a successful bidder has no right of entry to property purchased. The deed conveys all the former property owner's interest in the real property as of the date the state's lien for real property taxes arose in accordance with the Property Tax Code, subject only to perfected interests in the real property existing before the date the property tax lien arose. The property tax lien against real property arises on January 1, of the tax year for which the taxes are imposed. The State of New Mexico warrants no title to property purchased at public auction sale.

8. The former real property owner or anyone claiming through him may bring an action in District Court challenging the conveyance no later than two years from the date of sale.

9. Property sold at public auction may be subject to a 120-day Federal (IRS) Redemption period.

10. In the event a sale is rescinded, only the amount paid for the property at the sale will be refunded. Expenses incurred by the buyer in connection with the sale or interest on the purchase amount will not be paid to the buyer regardless of the basis for the rescission.

11. The sale price of real property at this public auction sale is not to be taken or considered as being the value of that property for property taxation purposes. Information pertaining to the current value can be located in the County Assessor's office.

12. The registered bidder and the Department stipulate that at no time did the Department take or hold title to any property which was subject to the delinquent tax auction. The registered bidder states that at no time did the Department make any representation to him/her or any third person about the property or any environmental condition or danger on or arising from the property. The registered bidder states that he/she has bid at the delinquent property tax auction without any inducement or representation by the Department of any kind. Should the registered bidder become a successful buyer, the successful buyer agrees to fully indemnify, defend and hold-harmless the Department from any claim that the successful buyer or any third party may have, now or in the future, arising from or relating in any way to any environmental contamination, degradation or danger of any kind, whether known or unknown, on any property purchased at this public auction. This indemnification and agreement to defend and hold-harmless covers any environmental condition arising at any time and has perpetual duration.

13. The auctioneer reserves the right to withdraw from sale any of the properties listed below, to sell any of the property listed below together, or to sell only a portion of any of the properties listed below. If any dispute arises among the bidders, the auctioneer's decision with respect to the dispute is final, and the auctioneer may auction the property again, in his discretion. The auctioneer reserves the right to reject any and all bids. The Department reserves the right to re-offer any property for less than the minimum bid if the property did not sell for an amount equal to, or greater than, the minimum bid.

Note:

Properties not sold at the initial auction may be re-offered at a separate auction immediately following the first sale, in accordance with NMSA 1978, Section 7-38-67(E) and other applicable New Mexico law.
